

The Path to Success

Why do so many agents choose RE/MAX®?
There are lots of reasons, but here are just a few.

Big Culture

RE/MAX agents don't just measure success by the number of sales they close, but by the people they help along the way. RE/MAX agents are voted the #1 most trusted real estate agents in Canada year after year.* That's because they prioritize their clients, their families and their community.

Big Brand

RE/MAX is #1 in brand awareness.** When people watch a RE/MAX commercial, click on an ad or see a sky-high sign in a sports arena, they'll think of you – the agent they know. See what that visibility, credibility and trust can do for your business.

Big Opportunities

In Canada, RE/MAX agents average 53% more in commissions after their third year with the network as compared to their first year. After five years with RE/MAX, agents' average productivity is up 71%.***

Here's an example of the growth agents from other brands experienced after joining RE/MAX.
