

Tech to Help You Become Unstoppable

RE/MAX® offers a super-sized suite of solutions and technology to power up your business under the overarching umbrella of MAX/TechSM. You get access to this exclusive, advanced technology suite at no additional cost.

The Suite

MAXTECHSM
powered by **BoldTrail**

MAX/Tech powered by BoldTrail simplifies and streamlines every aspect of running and managing your business, creating a single end-to-end platform with many solutions for efficiency and growth.

Present is the next-generation CMA and presentation builder that helps you guide clients through an interactive and compelling pricing discussion.

ListingMachine + DesignCenter connects directly to the MLS, pulling in property details and creating an entire marketing campaign for each of your listings, including social content posting to various platforms.

Team Add-On allows team leaders to manage their team of agents within their brokerage.

Social helps your engagement by posting content to your Facebook, X and LinkedIn accounts. Options range from different content categories to frequency of posting.

Folio is an AI-powered email productivity solution that keeps important transaction emails and timelines organized.

**RE/MAX
HUSTLE**

RE/MAX Hustle helps you create, edit and share personalized, professional-quality videos and infographics.

Photofy

Photofy allows you to create RE/MAX value-prop messaging, attract new clients or connect with current clients by posting branded and custom social media graphics.¹

**RE/MAX
marketplace**

RE/MAX Marketplace offers access to exclusive discounts on technology, supplies and services. Over 20 carefully vetted brands in Canada provide solutions for many aspects of your business.²
